REGULATIONS & PROCEDURE

Ulju Mountain Film Festival is the first international mountain film festival in South Korea, dedicated to present and promote films & culture dealing with the mountains, adventure and exploration, nature and environment. The festival also provides an opportunity for filmmakers and mountaineers to meet and exchange ideas through the seminars, events, screenings and social gatherings.

GENERAL CONDITIONS

- Films of every nationality, kind and duration, related to the following subjects are eligible for submission: alpinism, climbing, mountaineering, mountain sports & culture, adventure & exploration, nature & environment, ecology, ethnography etc.
- Films produced prior to the year **2019** will not be eligible for the competition.
- Admission to the competition and other sections is at the discretion of the Festival management, which will make recourse to a Selection Committee. Its decisions may not be challenged. The selection results will be announced officially **1 month before the festival**.
- The submitter shall ensure that they hold the intellectual property rights for the registered work. The submitter must also warrant that no legal, contractual or any other limitation that could prevent the organization of the Festival from screening the work in public.
- Similarly, the submitter must be able to prove that they possess the appropriate consent from people or organizations that hold copyright on different elements that appear in the work, such as music, images, graphics etc.
- The submitter is committed to keeping the Festival free from any possible third-party claim that may be initiated in relation to copyrighted material.
- By submitting at Ulju Mountain Film Festival, the submitter acknowledges and agrees to all entry rules and regulations of the Festival.

AWARDS

- UMFF will select finalist films for the competition by preliminary judging. Some of the submitted films could be selected as non-competition films under the submitter's agree.
